EDUCATION

Master of Computer Applications

Madan Mohan Malaviya University of Technology, Gorakhpur, U.P.

Sept 2023 - July 2025

8.8 CGPA

Bachelor of Computer Applications

University of Allahabad, Prayagraj, U.P.

Sept 2019 - July 2022

9.21 CGPA

SKILLS

Technical Skills: C++, Java, Python, HTML, CSS, Tailwind CSS, JavaScript, Express.js, React.js, Node.js, MySQL, MongoDB

Soft Skills: Management, Communication, Teamwork

Tools: VS Code, CLion, IntelliJ Idea, PyCharm, Postman, Git, GitHub, Microsoft Office

Course: Data Structures and Algorithms, DBMS, Computer Networks, Operating System

Interests: Artificial Intelligence, Machine Learning, DevOps

PROJECTS

CrestaView

Website Link

GitHub Link

- Built a real estate platform using the MERN stack for streamlined property management.
- Implemented JWT-based authentication and private routes for enhanced security.
- Created a responsive UI using Tailwind CSS for dynamic property listings, search, and filters.
- Used Redux for efficient state management and real-time data updates.
- Applied modern deployment practices for high availability and scalability.

NexusGuard

Website Link

GitHub Link

- Built a full-stack authentication system using MongoDB, Express.js, React, and Node.js.
- JWT-based authentication for secure user login and registration.
- Utilized Tailwind CSS for responsive and visually appealing front-end design.
- Integrated Redux Toolkit for efficient state management.
- Ensured protected routes and form validation to enhance security and user experience.

Corona Tweet Classification System

GitHub Link

- Developed a system to classify COVID-19 related tweets using machine learning techniques.
- Preprocessed tweet data to remove noise and enhance model accuracy.
- Employed natural language processing (NLP) techniques for text analysis and feature extraction.
- Used Jupyter Notebook to develop and present the classification pipeline.
- Conducted model evaluation to ensure optimal classification performance.

ACHIEVEMENTS

- Solved more than 300 problems on various online coding platforms such as **LeetCode**, **HackerRank** etc.
- 5 Star Badge in 30 Days of Code, C++, Java, Problem Solving, Python at **HackerRank**.
- HackerRank Verified Skills in C-Sharp, Java, JavaScript, Problem Solving, Python, SQL.

POSITION OF RESPONSIBILITY

Executive Member of CSSE - Society of ITCA Department, MMMUT

April 2024 – Present

ACTIVITIES

- Active involvement in organizing society events like **Technokratos**.
- Conducted the organizing of a coding contest, **ByteBurst**.
- Conducted Live Python Programming Classes for First-Year Students.
